

# The Light

Lowcountry  
Presbyterian  
Church

August 2020

## Recent Session Decisions & Registration Information

On July 22nd the Session met and determined that given the continuing increase in the number of new cases of coronavirus infection in Bluffton and Beaufort County, opening on August 2nd was not in the best interests of the membership. The Session is now looking to October 4th for a possible resumption with a meeting on September 28th to make a final decision.

However, the Session did decide to allow ten "family units", (people living under one roof) to attend live video recording sessions when it is those that are filmed without interruption using the newly acquired video equipment. Those will be at 7pm every other Friday. On alternate weeks, the old method of recording will be used. EVERY Sunday the worship service will be available from 8:30 am and on as usual.

***Here is the process to register as outlined in the e-blast sent on July 31st:***

Our first recording will be 7pm Friday, August 7th, to be viewed on Sunday morning August 9th.

Since attendance is limited, **you must register this Wednesday, August 5th** by calling the church office starting at 9am. We will fill slots on a first come, first serve basis and will also create a waiting list.

If those placed on the waiting list so desire, they will be given the opportunity to be placed on the sign up list for the next service approximately two weeks later. We ask that if those registered find they cannot attend, to please call the church office by noon Friday, so that someone on the waiting list may be given their spot.

All who attend will need to follow the safety protocols set in place; wearing masks, social distancing inside and outside the sanctuary, and refraining from singing.

Out of an abundance of caution and care for all our members, the Session continues to encourage members to stay home and worship online, as we cannot guarantee complete safety.

Great Mug

Giveaway

**SEE next page for the Great Mug Give Away!**

## New Church Office Hours

Church office hours are now 9:00am to 12:00pm Tuesday through Thursday. Staff continues to be in and out at other times and checking messages.

## The GREAT DRIVE-THRU MUG GIVEAWAY

Pastors Chris and Stephanie wish **to thank you for your support** during this time of pandemic and church closure **AND want to see you**, and so they would like to give to each family or individual, one of the NEW LPC visitor mugs. These mugs are sitting in boxes, sadly not getting used, and they will reimburse the church for every mug given away!

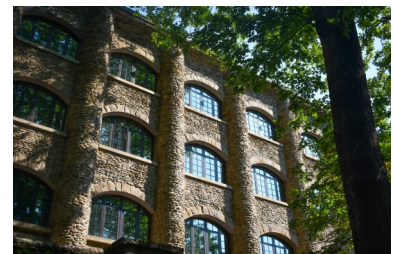

The next two Saturdays, August 1<sup>st</sup> and August 8<sup>th</sup> from 10am to 12pm, Chris and Stephanie will be sitting under the covered drive happy to greet you as you drive up to receive your mug and have a few moments of conversation. They will wear masks for safety and you won't need to get out of your cars.

If neither time works for you contact the church office and we will figure out another way.

## Montreat Conference Center, NC invites you to get away to the mountains!

*(and you could check it out before our  
Church Retreat next May!)*

### Summer Sabbath

Summer in Montreat this year is a quiet retreat from the hustle and bustle, much different from our typical summer. While the usual conferences had to be cancelled this season, the Assembly Inn is currently open to overnight guests at a reduced capacity. Rooms at the inn are comfortable, peaceful, air-conditioned and yes, there is WiFi! Guests will enjoy their own cleaned and sanitized space, while staying close to the heart of Montreat, plus the shops and restaurants in nearby Black Mountain. Come visit and enjoy cool morning walks, take a hike up Lookout, go rock-hopping in Flat Creek, get creative at the Currie Craft Center/Sally Jones Pottery or go shopping at the Montreat Store and Ten Thousand Villages.

Full details on Summer Sabbath are available at:

<https://montreat.org/events/summer-sabbath>,

and you can learn more about summer activities at:

<https://montreat.org/summer-in-montreat>.

See this page for safety information: <https://montreat.org/visit/guest-health-and-safety>.

## THE NOMINATING COMMITTEE NEEDS YOUR HELP

*“Pick out from among you ... (those) ... of good repute,  
full of the Spirit and of wisdom”*

The Church Officer Nominating Committee (CONC) seeks suggestions from the congregation for nominations to the Session. Elders should be persons of faith, dedication and good judgment. Their manner of life should be a demonstration of their commitment to Christ and to living out the gospel in their daily lives. An Elder should regularly attend worship, participate in the life of the church and support the ministry of LPC through the giving of time and financial resources.

Members of the CONC are Bill Thorpe (elder, chair), Margaret Hartley (elder), Sandy Benninger, Lori Higgins, Howard Redlus and Rev. Chris Herrin (ex officio).

Names will be accepted by the committee through **Friday, August 14th**. Please drop off or mail to the church office. It is not necessary to inform the nominee as the CONC may not be led to nominate them.

For Elder: \_\_\_\_\_

Why would this person be a good candidate for Elder?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**To make a nomination electronically, use the following link:**

[https://forms.office.com/Pages/ResponsePage.aspx?id=SD0T\\_xZFz0C8qtiLfjpX5UYLFthNGUVNkgMSLFp9GndUQ0FTSjhPU0xLRkRFSENMMkVQQTJFV01JQy4u](https://forms.office.com/Pages/ResponsePage.aspx?id=SD0T_xZFz0C8qtiLfjpX5UYLFthNGUVNkgMSLFp9GndUQ0FTSjhPU0xLRkRFSENMMkVQQTJFV01JQy4u)

**Our patio was used by a vacationing family for a birthday lunch.**

Chris spotted them and discovered that there were four siblings and families from Michigan and Iowa and perhaps somewhere else. Two of the men are pastors and the other works for a church, so Chris enjoyed comparing notes with them! She also conveyed that we were happy they were enjoying our beautiful spot!

## From Your Finance Ministry Team

### *Using IRA Funds to Give More to LPC*

With the stewardship campaign beginning shortly, I wanted to provide fellow members of LPC with another alternative for giving using pre-tax dollars. If you have saved funds for retirement in an IRA and you are now over 70 years and six months old, you are required to take a mandatory distribution (RMD) from your IRA each calendar year. Funds you withdraw for your personal use require the payment of taxes as ordinary income.

However, if the RMD funds are distributed directly to a 501 (c)3 from the financial institution holding the funds, then those funds go to the charity of your choice tax free.

However, because of Covid-19, the Cares act has waived the mandatory distribution for 2020. You may choose to distribute the IRA funds tax free to a non-profit or you may retain the funds in your IRA.

My husband Cal Beltman and I turned 70 and a half in 2017. For the last three years, some of our Required Mandatory Distribution has been given to LPC tax free which has enabled us to increase our level of giving. Please consult your financial advisor before making any decisions because each person's financial situation is different.

*Jan Alpert, Member, Administration and Finance Committee*

Charleston Atlantic Presbytery will present its

**12th annual STEPS** event on  
**Saturday, August 29, 2020** via Zoom  
9am—11:00am

This year's theme is

***"For Such a Time as This,"***

Esther 4:14.

Virtual STEPS will consist of two workshop sessions with three options each. Read about the workshops at <https://capresbytery.org/steps-2020/>. This is a great opportunity to deepen your spiritual life from the comfort of your own home, or with fellow LPC-ers in Fellowship Hall (up to 10 people). Contact Elder Carol Bogle at [CarolBogle21@gmail.com](mailto:CarolBogle21@gmail.com) if you are interested in joining us in person in which case we would decide together which two classes we will participate in.

In order to participate, you **MUST** pre-register on the presbytery website. There is no cost to participate, but you **MUST** pre-register by **Friday, August 21**. Zoom links to the workshops for which you registered will be sent to you Monday, August 24. If you do not receive your link by Tuesday, August 25, contact Dorothy Blackwelder or Pie Mikell immediately.

Enjoy classes like Self-care in a Season of Change, What Happened at this Year's 1st ever Virtual General Assembly, and Adaptive Change in a Time of Volatility. We hope you'll take advantage of this opportunity to learn with other Presbyterians in our Presbytery!

## THE GREEN TEAM (AKA—THE CREATION CARE TEAM)

**BEAUFORT**  
*Walk  
for  
Water*

**SAVE THE DATE—SATURDAY,  
SEPTEMBER 26,  
and WALK FOR WATER!!!**

Details will follow at a later date for LPC's participation of LPC members, friends and family! Each year LPC's participation in this important event has grown and they need us more than ever! So if you Walked for Water last year, please tell others of the fun and camaraderie of this worthwhile event—and join us again this September!!!  
Thank you!

Pictured Back L-R: Judy Barry, Derek Hardin, Stephanie Dion, Robin Lind, Dick MacDougal, Jean Nordby, Betsy MacDougal.  
Front: Kim and Evie Hardin

### LED Lighting

The Green Team has raised funds by selling LPC Cookbooks and Jerry Anderson's Christmas CDs. Recently some of this money was invested in LED florescent tubes for the LPC staff offices. The new tubes use less energy, are more cost effective, provide brighter light and have longer life expectancy. This is the first step in upgrading all the lighting in the church buildings.

Pictured changing light tubes: Jon and Gretchen Nickel

Green Team continued next page...

## Green Team Continued:

The Congress has followed our church's lead in acting to protect birds against deadly window strikes.

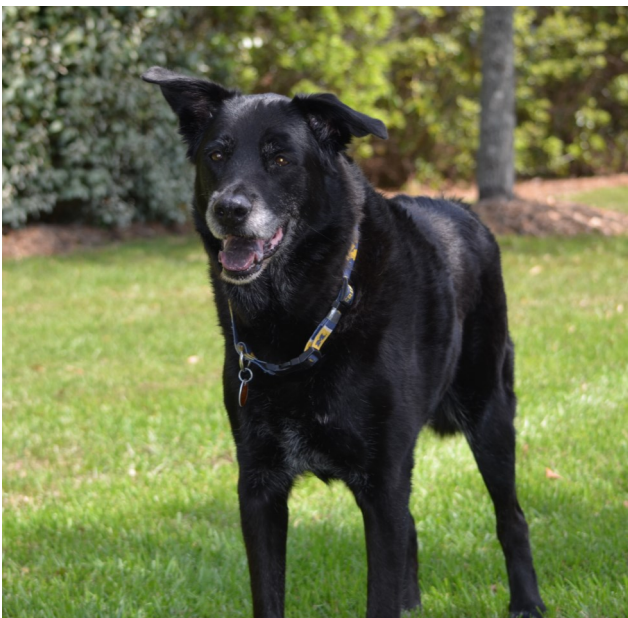

The House of Representatives recently passed legislation which will require future federal buildings to be designed to reduce bird's deaths caused by window collisions. We installed a window collision system on the two large windows at the front of the sanctuary 6 months ago. <https://abcbirds.org/article/Bird-Safe-Buildings-Act-Passes-US-House-of-Representatives>

Our Congressman, Joe Cunningham, was an early co-sponsor of the legislation which helped move the legislation forward.

Hundreds of millions of birds die each year hitting windows. We perceive an open space in the side of a building as glass. Birds do not. To them the window reflects whatever is behind them — woods or an open space — and they try to fly through it and are killed. Window collisions are one of the two largest causes of bird deaths. Our bird population has declined 30% since the 1970's - from 13 billion birds to 10 billion birds. One of our members has had three deaths from window strikes. Here is a photo of such a bird which died hitting a front glass door.

Residential windows cause over 40% of those deaths. There are excellent options for protecting against those deaths. Many products advertised on the web, like Window Alert, do not work. For a description of the scientifically proven options, including cost comparisons, photos and DIY information, go to <https://www.suncitybirdclub.org/window-strikes> and see the Consumer Guide to Window Strike Prevention. If you have questions call Jim Cubie 843-991-1059 .

### For almost 10 years Christy's dog Calvin

has greeted members and visitors to the office. Sadly Calvin died earlier this month at the ripe old age of 16. He was the recipient of countless dog treats and special attention here at LPC all those years which, combined with Christy's devotion to him, is probably in part why he lived so long. He was certainly a blessing to us all and a reminder of the goodness of all God's creation.

*Be Seen.  
Be Known.  
Be Loved.*

## "Following Jesus: Prison Reform"

"[Jesus] unrolled the scroll and found the place where it was written:

'The Spirit of the Lord is upon me,  
because he has anointed me  
to bring good news to the poor.

He has sent me to proclaim release to the captives  
and recovery of sight to the blind,  
to let the oppressed go free,  
to proclaim the year of the Lord's favor.'" Luke 4:17-19

As Christians, we are called to do justice and be merciful. We are to follow Jesus who brings good news to the poor, proclaims release to the captives, and frees the oppressed. The Outreach Ministry believes prison reform is one way we can follow Jesus in our time. We encourage you to learn more about this topic with us as we seek to advocate for just reform.

We hope you will:

1. Learn
  - a. **A video with Rev. Dion and Rev. Bo Welch, Prison Chaplain, will be available in the coming weeks which will go further in depth about what the problem is, how we ended up here, and why it should matter to us as Christians.**
  - b. Read "The New Jim Crow: Mass Incarceration in an Age of Colorblindness" by Michelle Alexander (The New Press, 2012)
2. Advocate
  - a. As we learn more about this together, the Outreach Ministry will provide information on what we can do. This will include contact information for local representatives for you to contact to advocate on this issue in whichever way you feel led. We will also include a draft of a letter to send and what to say when you call in case you find it helpful.

We know much of this is new to many of us, so we encourage you to listen, read, and engage in dialogue with us (even if you disagree!). We want to learn and be challenged, and hope through it all to be faithful disciples of Jesus.

## CHRISTIAN EDUCATION MINISTRY

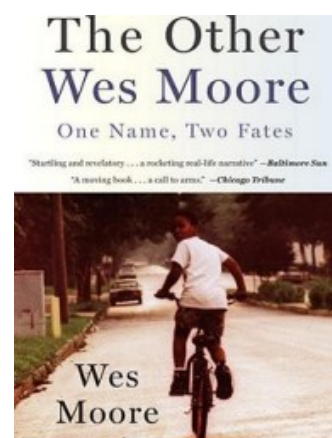

### INVITATION FROM CHRISTIAN EDUCATION AND THOSE READING "THE OTHER WES MOORE" BY WES MOORE

Two Groups made up of about 20 members are reading and reflecting together on the memoir, "*The Other Wes Moore*."

If you didn't sign up for the current book discussion groups, those who are participating encourage you to take a look at this 10 minute video of the author Wes Moore and read the book on your own. You will find this true story thoughtful and powerful as it educates and raises awareness about the experiences of others.

Here is a synopsis of the book:

*The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. Two kids named Wes Moore were born blocks apart within a year of each other. Both grew up fatherless in similar Baltimore neighborhoods and had difficult childhoods; both hung out on street corners with their crews; both ran into trouble with the police. How, then, did one grow up to be a Rhodes Scholar, decorated veteran, White House Fellow, and business leader, while the other ended up a convicted murderer serving a life sentence? Wes Moore, the author of this fascinating book, sets out to answer this profound question. In alternating narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.*

Click here for the video link: [10 Minute Video on Wes Moore](#)

### DRIVE THRU HISTORY: THE GOSPELS

Exploring the Gospels and seeing the places Jesus walked, this video series was offered on Wednesday evenings. Each week there was a different video. After the video, there was a discussion about the video. The discussions were led on an alternating basis by Dan Herrin and Carol Bogle.

For a sneak peek on the class, watch here:

[https://www.youtube.com/watch?time\\_continue=20&v=EASqxQEnEnA](https://www.youtube.com/watch?time_continue=20&v=EASqxQEnEnA).

### MEN OF PURPOSE (MOP) on Saturday mornings

We will not be meeting officially again until fall. We may meet a couple of times this summer informally. We pray for everyone's health and safety. Questions? Please contact Bill Walker, [billwalker42@gmail.com](mailto:billwalker42@gmail.com).

## What Have Our Youth Been Up to?

**Mark Stauffer** has had a busy summer. He has taken up fishing, He enjoys both freshwater and saltwater fishing. He passed his course to become a licensed boater. Mark helped his grandfather by cutting lawns. As a result of this activity, Mark became a budding businessman by taking care of various neighbor's lawns so he could save up money to buy his first vehicle. He is looking forward to getting his Driver's Permit this fall. Mark is scheduled to start Bluffton High School and is hoping for in person classes because he misses seeing all of his friends.

**Sophie** has kept busy this summer with dancing, play dates and entertaining her grandparents with frequent sleepovers. Sophie has discovered makeup. She loves to video herself applying it. She hopes to become a YouTube star when she grows up. Sophie was able to complete her dance year with online classes. She participated in a modified dance recital with social distancing. This was a highlight for her because she was able to wear her recital costume and with make up.

Sophie and Mark will be going on a family vacation to Tennessee with their parents and grandparents later this summer.

**Ella Barry** has spent most of summer vacation at the pool. She will be starting her freshman year at May River High School with her first semester classes being done online.

### **Caralynn and Carleigh Jo Scott**

have both returned to in-person dance classes. They are spending 4-5 days a week dancing. Carleigh Jo started swim lessons at the Bluffton pool which she has thoroughly enjoyed. She has become quite the little fish. Caralynn is entering the 7th grade and Carleigh is entering 1st grade.

### **Carter and Cameron Fox**

Carter will be in the 6<sup>th</sup> grade this year. This summer he's been fishing, reading, and cutting grass to make some money!

Cameron will be in the 4<sup>th</sup> grade. He's been fishing, avoiding reading, and picking fights with his brother.

## Change Can Make A Change for August

Some people living in our area do not have medical insurance. To address this need, The **Greater Bluffton Jasper County Volunteers in Medicine** opened its doors in 2011. Today the all-volunteer medical clinic provides medical exams, counseling and nutritional services as well as preventative disease education to over 2,000 eligible uninsured residents. In addition, radiological imaging and lab testing referrals are made for patients needing these services. It takes approximately 75 volunteers to make the day to day operations of the clinic possible. These volunteers include retired physicians, retired nurses and office personnel.

Without primary care for underlying illnesses such as diabetes and hypertension, people of all color are especially vulnerable to challenges like COVID-19. You may have noticed their free COVID-19 Drive-Thru Testing at Bluffton High School on July 22.

BJVIM earned a 2020 Gold Rating from the National Association of Free and Charitable Clinics Quality Standards Program.

If you would like to help with their efforts, please donate by writing a check to LPC and indicate CCMAC-August in the memo section. Other donations they need include office supplies, copy paper, paper towels, soap and gas cards and can be dropped off at their locations in Bluffton and Ridgeland Monday through Thursday after 1:00 p.m. Thanks!

## Food Collection

Several Mission members have been taking food to the Agape Family Life Center on Friday mornings. If anyone living in Sun City would like to contribute they could drop it off at June and Donald Allison's house at 24 Schooner Lane, Riverbend. June's phone number is 843-707-7671 if you have any questions.

For others wishing to donate food please leave it at our Church on Tuesday, Wednesday or Thursday mornings from 9am-12pm. We are also donating some masks which many of you kindly provided. Thank you.

Thank you from Agape!!

It has been six weeks since we reopened our doors to families experiencing homelessness and we are happy to report that our family of seven is doing really well. Both Mom and Dad are working fulltime, and the kids are thriving in daycare and at The Boys & Girls' Club in Bluffton. They have also begun exploring housing opportunities nearby and we will be sure to share any updates on their progress.

Additionally, a Mom and her young son have just joined us and are beginning to acclimate to living in the extended-stay hotel, going to daycare, and seeking employment. It is always a transition living in a strange place and being with new people, but we have no doubt that they will both do well.

We are also continuing to provide rental assistance to those whose livelihood has been adversely affected by COVID-19. Some have lost their jobs, while others have had their hours temporarily reduced therefore affecting their ability to pay their rent. Our goal is to assure these families remain housed and do not end up in our Shelter Program.

It is gratifying to be able to support families who are experiencing a traumatic time in their lives and we could not do it without friends like you! If you like to help one of these families, we are still in need of gift cards in small denominations from Walmart and Food Lion. You can drop them off between 8:30 am and 4:30 pm., Monday Friday. Take care of yourselves and those around you!

Thanks from your friends at ***Family Promise of Beaufort County!***

thank you!

Thank you for the 180+ masks that were donated for our congregation to use when we return to in person services and to share with Agape Family Life Center and Volunteers in Medicine. Several of our members brought in masks including Jerri Hanna, Robyn Kiser, Michele Eberhart and anyone else who brought them and left them in our collection basket. Both Agape and VIM are still in need so if anyone wants to donate more and are still sewing, we would make sure that they are delivered, if you drop them off during the Tuesday-Thursday office hours of 9am to 12pm. Thank you all!

## COMMUNICATIONS

### *SOME IMPORTANT INFORMATION GOOD TO KNOW...*

#### *How Medicare Beneficiaries Can Fight a Hospital Discharge*

Did you know that if you believe that you or your family are being discharged too soon from a hospital that you can file a Medicare appeal and the hospital cannot discharge you until the review is finalized? It will delay the discharge by at least one day, and the hospital cannot charge for your care while the review is in process. We have found that many people are unaware of this process to challenge a discharge, so here is the information. This only pertains to patients who have traditional Medicare, not an HMO/Managed Care product. Each HMO has its own appeals process.

Medicare requires hospitals to give Medicare patients information about their discharge and appeal rights. Within two days of admission to a hospital, the hospital must give the patient a notice called "An Important Message from Medicare about your Rights." This is called the "IM" in most hospitals. If you don't get it, ask for it. You are required to read the notice, sign it, and date it. When you are told you are going to be discharged, if you believe you are being discharged too soon, you can file a "fast appeal". The hospital cannot discharge you or charge you (other than the routine coinsurance and deductible) until the review is complete. The phone number should be on the IM. This will prevent your discharge for at least 24 hours, and if done on a Friday, it will most likely not be decided until Monday, so they must keep you during the weekend. You must file the appeal by midnight of the day you are told you are being discharged.

To file this "fast appeal", call the Beneficiary and Family Centered Care Quality Improvement Organization (BFCC-QIO) assigned to the state where the patient is hospitalized, and they will conduct the review. The number of the review agency for hospitals in SC, GA, NC, FL, and VA is 844-455-8708. You can get more information on the [medicare.gov](https://www.medicare.gov) website -> scroll down to 'Claims & Appeals' -> choose 'Your right to a fast appeal' -> choose 'Fast appeals in a hospital'.

When you call the number, you need to have the following patient information:

- Name as it appears on the Medicare traditional ID card (red, white, and blue card)
- Medicare ID number OR Social Security number
- Phone number for them to call back to patient or patient representative.
- A statement explaining the issue. Some examples for challenging a discharge are:
  - Unsatisfactory discharge plan (e.g., You live alone and need help with at-home care.)
  - You have stairs in your home and are unable to use them.
  - You feel too weak to take care of yourself.
  - You have an infection and/or a fever.
- Name and address of facility including zip code. *[See next page for several area hospitals.]*

Charleston, SC 29425

Lifetouch has reopened their production facility in Arizona with limited staff, and we should have our directories in August!

## MUSIC

### *Musical greetings to our Lowcountry Family.*

While we wait out the quarantine separated from each other by distance, I have included some recordings you can listen to on YouTube from churches and countries around the world.

I believe we live in a time of great promise if we will only keep looking for the light and not allow ourselves to be discouraged by the darkness. Keep the faith and know that we will join our voices again in song and praise. Enjoy!

## Session Highlights - July 22, 2020

There was no Stated Session Meeting in July, only the Special Meeting on July 22. The only topics discussed were the decisions

- 1) To not open for in-person worship until October 4th at the earliest;
- 2) To allow limited attendance at the video taping of uninterrupted services; and
- 3) To expand the church office hours to include 9:00 AM to 12:00 PM on Wednesdays.

The next Stated Session meeting will be at 7:00 PM on Monday, August 24, 2020.

If you have any questions please contact Ernest Bush, Clerk of Session at 843-290-3218 or [elbush@mac.com](mailto:elbush@mac.com).
