"LPC was a wonderful host." I heard multiple variations on that statement by so many who attended the Winter Stated meeting of the Presbytery on Saturday, February 22nd. On the opposite page you can get a little taste of the day. At the beginning of the meeting, after I welcomed everyone, Dale Nordby entertained all with a singing rendition of our LPC history written by Dale set to the tune of a 4 Tops song. (As far as I know, it was a first for Presbytery!). During the worship service we showcased the musical talents of Karen Ball on organ and piano, and

Robin Lind and Dale, who each sang a solo. The guest preacher, Rev. Brian Henderson of St. James Island Presbyterian delivered a memorable message and we concluded with communion led by Stephanie and myself, served by our elders. After the business meeting that followed, about 80 of the attendees joined us for a delicious catered lunch from Zoe's kitchen in the Fellowship Hall, served with much friendliness and warmth by our volunteers. I could not have been more pleased with how the whole day came off.

While I worked on the worship service, and other details, the bulk of the planning and preparation was handled by Phil Kiser and Stephanie who together organized and recruited the volunteers. A big thank you to them AND to all of you who each carried out your task with energy and grace. With fear that we may have left someone out, I do want to thank all of these who volunteered. We could not have done it without you. Thank you.

Gift to LPC

At the February Session meeting I presented to the Session, to receive on behalf of the congregation, this ceramic cross plaque as a gift given to the glory of God with gratitude and appreciation for the congregation's generous support of my 2019 Sabbatical.

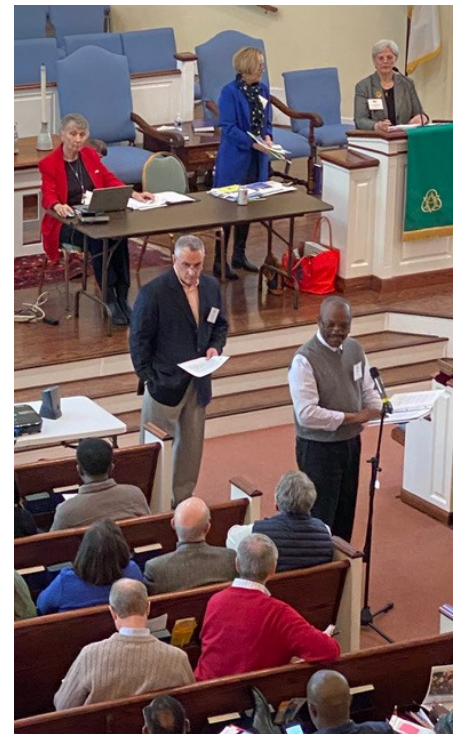

Purchased this summer at Montreat, it is one of a limited number, commissioned to be hand crafted by Raventos of Barcelona, one of the finest liturgical art studios in Europe. It is made of the finest potter's clay and kiln fired for a permanently glazed finish, mounted on a walnut finished board. Thanks to Doug and Ronda Adamson for hanging it.

I pray that it will inspire for years to come, just as the spiritual benefits of my Sabbatical will inspire me and my ministry far into the future.

With heartfelt gratitude,
Chris

LPC Hosts The Charleston Atlantic Presbytery

Thank you to all of the musicians for their wonderful contributions to the **Kirkin' of the Tartan** on February 9th: Dr. Karen Ball, Jubilate Ringers, Rick Kuhn (bagpiper) and the Chancel Choir. It was such a special service and something we hope to repeat next year.

Thank you to Karen, Robin and Dale for their musical contributions to the **Presbytery service** on February 22. It was fun sharing our musical family with members of the Presbytery.

During March, the music ministry will be presenting special music for the season of Lent. The Chancel Choir has begun rehearsing the Lenten Cantata, *"Hope in the Shadows"* arranged by Joel Raney and Lloyd Larson. Performance of the Cantata will be **Sunday, March 29**, at both services. Dress rehearsal will take place on March 28 at 10:00 a.m. in the Sanctuary. The Ringers will be playing on March 8th for both services and again on Palm Sunday.

KIRKIN' O' THE TARTAN

On February 9th we conducted our very first Kirkin' o' the Tartan service; and for a day, everyone was "Scottish"! There were lots of tartan plaid in evidence in the congregation, and even a few kilts!

Rev. Herrin's message, "*Being Salt and Light*" referenced John Knox, founder of the Church of Scotland; the Prayer of Confession was attributed to Rev. Peter Marshall (who initiated the Kirkin' service at New York Avenue

Presbyterian Church in Washington, DC in 1941); and the Scots Confession of 1560 was used as the Affirmation of Faith.

The processional featured the beadle, clan tartan banners and the choir entering the Sanctuary while Rick Kuhn, on bagpipes, and Karen Ball, on the organ, played Highland Cathedral. Rick and Karen's playing of Amazing Grace as the Offertory moved several members of the congregation to tears. At the end of the service the banners assembled at the front of the Sanctuary for Rev. Herrin's blessing and then recessed to Scotland the Brave.

Following the service, the congregation enjoyed a variety of delicious Scottish themed treats and tea, all provided by the willing hands of a number of volunteers. (Who knew haggis would make such a good finger food?)

All in all, the Kirkin' service was inspirational, uplifting, meaningful and actually fun. If you missed it, don't worry ... it will most likely be offered again next year.

A big THANK YOU to all who helped plan, contribute, and participate in our first-ever **KIRKIN' O' THE TARTAN** service on February 9! The turn out and excitement around the combined and unique service and musical contributions were inspiring, and the Scottish themed treats were delicious. We hope you enjoyed this service, and we look forward to doing this again in the future.

Outreach Ministry

Red Cedar Appreciation:

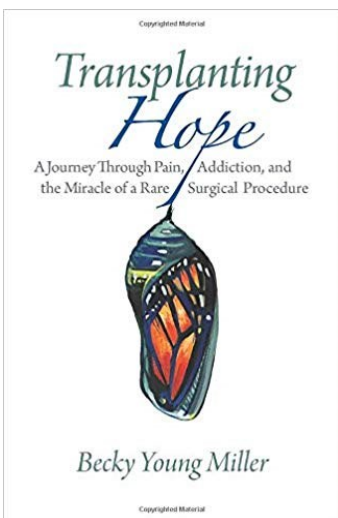

Thank you to everyone who donated to the January Change Can Make a Change for our Red Cedar Appreciation event! With the help and support of the Missions ministry, we were able to give every Red Cedar teacher a \$20 gift card to help with classroom expenses. We also provided coffee and donuts to the entire Red Cedar staff on Valentine's Day as a break during their in-service work day. Everyone was greatly appreciative! Thanks for helping show our teachers that LPC cares!

We received a thank you note from a teacher who wrote:

"Dear Lowcountry Presbyterian Church,
Your kindness and generosity touched my heart in so many ways. I will keep you all in my prayers as I express my thanks to God for putting good people in this world.

P.S. The coffee and donuts were a wonderful treat. It was so nice to chat with the wonderful people that were there."

Sincerely,
Sandra Viskovich
Kindergarten Teacher

Becky Young Miller:

Thanks to those who helped organize and attended the Becky Young Miller event. It was moving to hear Becky's story and the way her faith was unwavering during her many struggles, severe pain, and unbelievable surgery. Her relationship with God gave her strength and hope through her illness and continues to today. We hope you read her book: "Transplanting Hope: A Journey Through Pain, Addiction, and the Miracle of a Rare Surgical," and that it will be a blessing to your spiritual journey.

Where is God?

Coffee & Conversation is still happening on the first and third Saturdays at 10am. We are having great conversations about different aspects of life and where God is in the midst of it. Upcoming topics include: addiction, shame, anxiety: revisited, and fear. We hope you will continue praying for this new ministry.

Christian Caring Ministry

LPC would like to form a **CANCER SUPPORT GROUP** for members and regular attendees who have survived or are currently battling cancer. This group will meet monthly led by Marilyn Gemme and Karen Couser with support from Rev. Herrin. Marilyn is a retired oncology nurse who has been battling cancer herself and Karen, a retired oncology social worker who worked with adults and children with cancer. Day and time of meetings to be determined by those interested. If you are interested in participating or would like more information please contact Marilyn at 843-707-7846 or emagema49@gmail.com.

Christian Caring is hosting a regular **PRAYER GATHERING** on the third Thursday of each month at 10:00 am in the Parlor beginning **March 19th**. This is a casual gathering for those seeking prayer or wanting to pray for others. Prayer is an integral part of the Christian life and we hope you will join us as we connect with God and pray for our church, our community, and individuals knowing that when two or more are gathered in Jesus' name, there he is also. (Matt. 18:20)

Prayerful Stitches Ministry

The Christian Caring Team has started a prayer shawl ministry at LPC called Prayerful Stitches! We hope to provide prayer shawls as a symbol of Christ's care to people in a range of seasons in life whether for comfort, joy, or gratitude. If you knit or crochet and are interested in sharing your talents with this fulfilling ministry, please contact Sandy Tanner at tanners65@outlook.com with any questions.

Join together with our neighbors as we observe Lent in worship at noon followed by a Lenten luncheon.

THE GREEN TEAM (AKA—The Creation Care Team)

As you consider the amazing beauty of spring flowers, there are also reasons to be concerned about how we are tending to God's creation. Information about the most endangered plants in each of the 50 States is on the Green Team bulletin board in the Narthex. For more information check out <https://www.netcredit.com/blog/endangered-plant-us/>

An illustrated tribute to most endangered plant in every US state

A team of researchers and artists created an illustrated tribute to the most endangered plant in every U.S. state, celebrating plants on the brink of extinction and raising awareness through visualization. It is a work both joyful and troubling for the fragile status of these plants.

EASTER FLOWERS FOR THE SANCTUARY

Our sanctuary will again be adorned with spring blooms on Easter Sunday. These spring plants are robust and suitable for planting in your garden. This year we offer 3 varieties of spring flowers, Azaleas, Lilies and Caladium.

Please place your order **by March 15th**. You may place your order form and payment in the Sunday offering or mail it to the church. **The plants may be retrieved after Easter Services, April 12th.** ****Please select an option "Donate" or "Take Plant" ****

COMMUNICATIONS

Our membership directory photo sessions are finished, and we are preparing the data to send to Lifetouch. We will also have an electronic version of the directory, that will be available to LPC members. If you want some or all of your information blocked from the electronic version, please notify Janit Maguire (janitmaguire@gmail.com or (845) 527-6409) or Christy James, Church Administrator (lpcoffice1@hargary.com or (843) 815-6570).

Thanks so much to those who generously volunteered their time and talents: Jan Catanese, Kathy Crist, Pastor Stephanie Dion, Bonnie Flack, Nancy Gureck, Jerri Hanna, Judy Hardie, Pastor Chris Herrin, Carol Hissom, Christy James, Maureen Kalmbach, Joan Kimble, Kate McClain, Vicki Melton, Diane Mikkelsen, Carolyn Tripp, Kathy Walters, and Judy Wells. We couldn't have done it without you!

We welcome ideas for our next project, revising our website. Our meeting times alternate from 11am to 4pm on the fourth Wednesday of the month. Next meeting is 3/25 at 11am in the parlor. Please join us!

GIVING MADE EASY

Recently, a number of you have requested information on being able to make direct automatic electronic payments for your church giving. The easiest way to accomplish this is through your personal bank. You can make recurring or onetime payments using this process. It allows you to transfer the funds directly to LPC without having to write a check. To set this up all you need to do is to provide Gayle Myers, Financial Assistant, with your bank account information (account and routing numbers) to set up the draft payments. Her number is 843-815-6570.

The other important benefit to you if you set up a recurring plan, is that you do not even have to be in town for the payment to be processed.

If you have any questions please call Tom Bloom, Treasurer, at 843-540-6509.

We hope this is helpful for you. If you have another idea as to how we can simplify the giving for you please let us know.

Your Finance Ministry

CHANGE CAN MAKE A CHANGE for the month of March will go to **Backpack Buddies**. Backpack Buddies was originally created by Feeding America and has been instituted across the nation with organizations like Crossroads Community Support Services locally. The premise is simple—children who receive free or subsidized breakfast and lunch plans at school may go hungry over the weekend. Backpack Buddies was developed to help these food-insecure children by sending them home on Friday with a bag of food.

Crossroads purchases the food from Sysco Distributors once a month. Volunteers pick up the food, which has been delivered to our partner at St. Andrews by the Sea United Methodist Church, and then pack it into individual bags. The bags are transported to the school in large bins and then stored on shelves in a closet that has been allocated to us at the school. Each bag contains 2 entrees (mac & cheese and spaghetti & meatballs), 2 packages of Cherrios, 2 packets of oatmeal cereal, 2 granola bars, 2 pudding cups and 1 fruit (applesauce or raisins). Before the bags are distributed to the children on Fridays a fresh fruit is added.

Lowcountry Presbyterian Church alternates monthly with Oldfield to pack and distribute the food to the children at Prichardville Elementary School. We currently have 55 children enrolled in the program there. By supporting Backpack Buddies, you will not only be feeding the children at Prichardville, but also children at Bluffton's three other elementary schools and two high schools. Sue and Ken Kroupa who founded the program are hoping to be able to expand the program, to reach more children in need. Your support will greatly help them to do that.

NOTES OF APPRECIATION

In our efforts to “help those less fortunate” we have received “thanks” from the following:

Greater Bluffton Jasper County Volunteers in Medicine – Your gift will provide resources needed to enhance every patient’s medical experience. Private funds are critical to the success of BJVIM and touch the lives of many in our community who struggle to access quality medical care. This investment in community healthcare services enables us to continue to meet the ever increasing needs in Greater Bluffton and Jasper County. *Pamela Toney, Executive Director*

Hilton Head Habitat for Humanity – Thank you for making decent, affordable housing a matter of conscience and action. Your generous contribution brings us closer to making affordable housing available for deserving families in need. Your contribution will not only help provide land and materials for construction of houses but will serve as a lasting endowment in the fight to eliminate substandard housing in our area. *Patricia Wirth, President/CEO*

Hospice Care of the Lowcountry – Your thoughtful donation provides financial support needed to develop and maintain our specialized patient-centered programs. It also helps fund care and services for indigent patients. Both causes are central to our mission of providing comfort and dignified care to end-of-life patients and their families, regardless of their financial circumstances. *Jenny Brasington, RN, CHPN, Executive Director*

Annual Shoe Drive Sunday, April 19, 2020

Join with our brothers and sisters of Temple Oseh Shalom as we collect shoes (new or very gently used; men's, women's, and children's) to commemorate the Days of Remembrance of the Victims of the Holocaust. Shoes are a powerful symbol of the Holocaust, as victims' shoes were often confiscated before their deaths. For the past several years, the church and temple have joined together for this annual shoe drive for Bluffton Self Help, helping our Bluffton neighbors in need. A donation area will be set up in the narthex. Please tie your shoes together or use a rubber band.

Dave and Sandy Tanner

Did you know LPC has a very active Prayer Chain?

LPC has an ongoing prayer list updated regularly, which can be found in the Narthex. If you would like to get updates on prayer requests as the church is notified so that you can pray for those people sooner, please contact the church office to be added to the email prayer chain. We hope you will notify the church when you or those you know are in need of prayer (with their permission) so that we can uplift you and them with the care, concern, and comfort of God.
